

WHO SAYS
WEDDINGS
HAVE TO BE
PREDICTABLE?

FORGET JUST ANOTHER WEDDING DJ THIS IS THE PARTY OF YOUR LIFE.

You're getting married? Exciting times! You've booked the venue, sorted the dress, maybe even picked the cake (priorities, right?). But let's be honest—one of the biggest parts of the day? The party. And that's where I come in.

No awkward silences. No outdated playlists.

No half-hearted atmosphere. Just music that fits the moment, keeps people moving, and helps create a night to remember. If you're after a DJ who just presses play and blends into the background, that's not me. But if you want someone who reads the room, keeps the energy up, and helps things flow smoothly—then keep reading.

NEVER BOOKED A DJ BEFORE? DONT WORRY. IVE GOT YOU.

Most couples have never booked a DJ before. And why would you?
It's not like hiring a plumber or booking a holiday—
this is your once-in-a-lifetime wedding celebration!
But with so many options, where do you even start?

Here's what you DONT want:

- ✗ A DJ who just shows up, presses play, and vanishes.
- ✗ A cringey entertainer with zero personality or an outdated setlist.
- ✗ Someone who doesn't listen to you and plays whatever they like.

Here's what you DO want:

- ✓ A DJ who gets you, your music taste, and the kind of night you want.
- ✓ Someone who keeps the energy alive and the dancefloor packed.
- ✓ A host who makes sure the whole day flows smoothly, not just the evening.

I make it easy—from our first chat, I'll guide you through the process, help you figure out what you need, and make sure your wedding entertainment is stress-free and spectacular. No fuss, no boring sales talk, just epic vibes and an unforgettable night.

We had the best time at our wedding thanks to Tom! He was absolutely fantastic and made our night such a brilliant party, perfect choice of songs and even a light display projected on the dance floor! Tom provided such a professional service and there wasn't a moment where people weren't on the dance floor, he included a brilliant mix of music that it fitted the tastes of everyone (he even did a kid's disco to keep the toddlers happy!) can't recommend enough, thanks so much! X

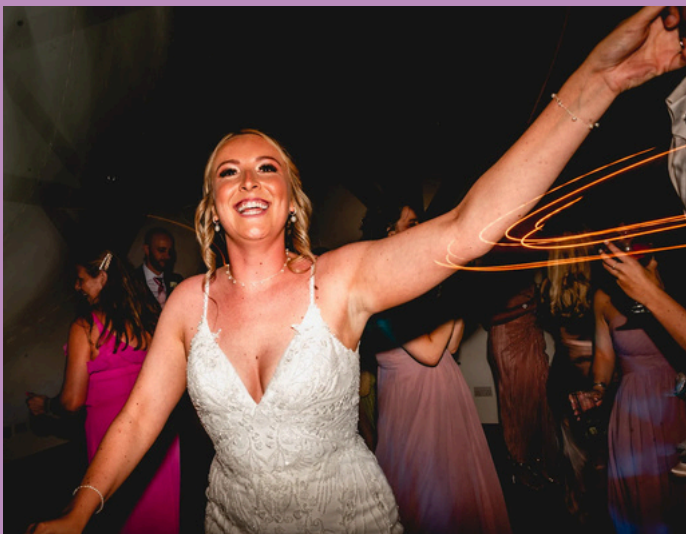

EMILY STONE

Amazing dj. Took the time to meet with us to discuss what music we liked and did and did not want. Tom even said some of the music we had chosen wasn't his usual playlist, however he smashed it regardless! He had everyone up dancing start to finish and we all had an amazing time! Would 100% recommend.

Absolutely fantastic. Tom knows exactly how to play to the crowd. I'll definitely be suggesting him for anyone looking for a DJ.

THE HOST WITH THE MOST

Think of me as your wedding day hype-man.

Need a charismatic host to guide the day, keep the energy up, and make sure everything runs smoothly? I've got you covered. I'll bring the laughs, keep the guests engaged, and make sure there's never a dull moment from start to finish.

FULL WEDDING HOSTING - BECAUSE A GREAT DAY NEEDS GREAT FLOW

Your wedding isn't just about the party; it's about every moment leading up to it. And let's be honest—bad hosting can kill the vibe fast. That's why I do more than just play music. I'm here to:

- ✓ Make grand entrances feel GRAND - Whether you want dramatic, funny, or classy, I set the tone.
- ✓ Keep the timeline flowing - No awkward silences or guests wondering what happens next.
- ✓ Introduce speeches with style - Because "Uh, I guess it's time for speeches?" doesn't cut it.
- ✓ Run fun interactive moments - Games, icebreakers, and memorable crowd moments that actually work.
- ✓ Read the room and adjust - If things need more energy or a breather, I make it seamless.

This isn't just about announcements—it's about creating an atmosphere where everyone feels part of something special from start to finish.

Firstly Tom was absolutely amazing, incredible entertainer throughout the whole day. Preparation meeting was so valuable, some brilliant advice given and allowed everything to run so smooth on wedding day. Tom helped in so many ways through the day, all music was played to perfection through the ceremony.

Fantastic entertainment games through the wedding breakfast which the guests loved.

Rustic Stage set up was incredible, due to the heat Tom suggested moving the music outside which he did and the guests loved it.

I can honestly say I couldn't think of anyone better to have had at our wedding. A truly amazing person & entertainer, someone I couldn't recommend enough. Thank you so much for everything you did.

SUSTAINABILITY & TMW PRODUCTIONS

Weddings are all about creating unforgettable moments, but that doesn't mean they should come at the expense of the planet. At TMW Productions, I believe in delivering parties with a conscience – which is why, for every wedding booked, I team up with [FUTURE FOREST](#) to plant a tree and help offset our carbon footprint.

From the energy used in sound and lighting to travel and event logistics, I know that DJing comes with an environmental impact. But rather than just talk about sustainability, I'm taking action. By supporting tree-planting initiatives, I'm actively giving back to the environment while ensuring my couples can party guilt-free.

This is just the start. I'm always looking at ways to make TMW Productions greener, whether it's investing in energy-efficient equipment, reducing waste, or working with like-minded venues and suppliers who share the same vision. Because great music shouldn't cost the earth. Let's celebrate responsibly, one dance floor at a time!

FREQUENTLY ASKED QUESTIONS - LET'S CLEAR THINGS UP

Q: Can we choose our own music?

A: Absolutely! Your wedding, your soundtrack. Whether you've got a full playlist or just a few must-plays and definite no-gos, I'll tailor the night to suit you. I'm here to keep the dancefloor full, not just play the same old wedding hits (unless you really want them!).

Q: Do you take requests on the night?

A: Yep! If your guests want to hear something, I'll use my finely tuned DJ senses to decide if it fits the flow of the night. (No pressure, Uncle Bob, but your request better be a banger!)

Q: What if something goes wrong?

A: I always have a backup plan. Spare gear, emergency contacts, and years of experience mean nothing phases me—so you can relax and enjoy the party.

Q: How early do you arrive to set up?

A: I like to be fashionably early, not late—so expect me to arrive at least an hour beforehand to get everything perfect before the first guest walks in.

Q: Do you provide microphones for speeches?

A: Got me all day? Then yes! Crystal-clear sound for your best man's speech, so everyone hears his carefully rehearsed roasts about the groom.

Q: What's the booking process?

A: Easy peasy—drop me a message, we chat, we lock in your date, and boom—you've just booked yourself an award winning DJ (and don't worry I'm not going to flood your inbox with sales emails or try and sell you stuff you don't need!)

Q: Do you travel?

A: Absolutely! I'll go wherever the party takes me. (I could even play at the top of a mountain!)

THE BOOKING PROCESS - SIMPLE, STRESS-FREE, AND FUN!

(NO UPSELLS, NO PRESSURE, NO PESTERING!)

Here's how we make it happen:

- 1) Get in Touch - Drop me a message, and we'll set up a chat to talk all things wedding. No sales pitch, just a friendly chat!
- 2) Let's Talk - We'll go through your must-plays, no-ways, and how you want the night to feel—making sure I'm the right fit. I won't push you into booking—I want you to be 100% sure.
- 3) Lock It In - Once you're happy, I'll send over a contract, and with a booking fee, the date is yours.
No hidden costs, no sneaky upsells,
just exactly what we agreed on.
- 4) Plan the Party - In the lead-up, we'll fine-tune the playlist, run through the timeline, and make sure everything is primed for an amazing night,
without me bombarding you with constant emails!
- 5) Showtime! - I'll arrive early, get everything set up, and ensure the party flows effortlessly from start to finish.

No stress, no awkward silences, no hard sells,
just a seamless build-up to the best night of your life!
